When Sol and Connie Blink move to Grand Creek, one of the first people to welcome

them is an odd older woman, Fay Holaderry, and her friendly dog, Swift, who carries a very strange bone in his mouth. Sol knows a lot more than the average eleven-year-old, so when he identifies the bone as human, he and Connie begin to wonder if their new neighbor is up to no good. In a spine-tingling adventure that makes them think twice about who they can trust, Sol and Connie discover that solving mysteries can be a dangerous game--even for skilled junior sleuths.
