Cleaning your home without using harsh toxic chemicals is rapidly becoming the new standard. "Knack Clean Home, Green Home" is the first visual guide that shows you all the best ideas for efficiently and safely cleaning your home. Green is an aesthetic choice as well, and you'll find out about all the good odors that accompany the germ-free surfaces of a clean green home, without the unhealthy chemical presence. In this well-organized and fully illustrated book, the author explains cogently what you really need to do to get rid of germs. You'll find recipes for homemade cleaning products as well as guidance on reading labels so you can recognize what's good and what's not. "Knack Clean Home, Green Home" is a one-stop shop for information on green homekeeping. Key features of "Knack Clean Home, Green Home" Room-by-room
