Angela Russo finds herself in Maine thanks to a sailing instructor, an impulse, and an idea that in Maine, people live "the way life should be." But reality on Mount Desert Island is not what she expected. Far from everything familiar, Angela begins to rebuild her life from the ground up. Relying on the flair for Italian cooking she inherited from her grandmother, she begins to discover the pleasures and secrets of her new small community--and to connect her heritage to a future she is only beginning to envision.
