Edgy, electrifying and dark--a riveting debut A Beautiful Woman, Missing New York City, 2005. Thanksgiving weekend. A topless Kate Moss peers down from a billboard over rain-spattered Houston Street. Escaping a troubled past, Francesca Pena came to the city and reinvented herself. At New York University, her beauty and charisma are the envy of her privileged pals, yet none knows the real Francesca--who, after a night of drinking, is now missing. A High-Stakes Gamble Detective Darlene O'Hara of the Seventh Precinct and her partner, Serge "K." Krekorian, set out to find Pena. But when the case turns high-profile and Homicide is called in, O'Hara--who has an eighteen-year-old son she saddled with the name Axl Rose O'Hara, and whose binge drinking exacerbates the massive chip on her shoulder--refuses to let go. Risking both her and K.'s careers, she defies NYPD brass and Homicide legend Patrick Lowry to secretly pursue her own investigation. A Desperate Chase--and a Chilling Twist Following a deadly trail that leads from NYU's ivory towers to Brooklyn tattoo parlors, from a skanky strip club to a whitewashed boutique run by a Korean madam, O'Hara closes in on her prey. But she has to move fast, because Lowry and the NYPD are about to make a devastating mistake that will leave the real killer free.
