It’s not often you see an elf in the middle of Brooklyn, let alone a tall, blond, gorgeous elf in the middle of one of the most prestigious performing arts high schools in the country. And yet, that’s just where Zephyr Addler finds herself: smack dab in the middle of a bustling New York City school, worlds away from the secluded woodland community she knows so well. But Zephyr knows that she has to figure out how to live in the world. And dress in the world. Thanks to a little friendly advice from her new friend Mercedes, Zephyr starts to get the hang of Brooklyn. That is, until Zephyr snags a role in a commercial, beating out the most popular girl in school, Bella Dartagnan. Now with Bella and her friends out to get her, can Zephyr out-manuever the mean girls (and catch the eye of a certain cute boy) without losing herself?
