" Sizzle Factor: SPF 50. A secret marriage, lies about affairs . . . even sex on the day of the divorce party" ("USA Today")-the hottest beach read of the summer Laura Dave is widely recognized as an up-and-coming talent in women's fiction. Now, with her characteristic wit and warmth, she captures a much-discussed cultural phenomenon that has never been profiled in fiction before-divorce celebrations. Set in Hamptons high society, "The Divorce Party" features two women-one newly engaged and one at the end of her marriage-trying to answer the same question: when should you fight to save a relationship, and when should you let go? An insightful and funny multi-generational story, this deeply moving novel is sure to touch anyone whose heart has weathered an unexpected storm.
