Free Lunch answers the great mystery of our time: How did our strong and growing economy give way to job uncertainty, debt, bankruptcy, and fear for millions of Americans? Acclaimed reporter David Cay Johnston reveals how government policies and spending have reached deep into the wallets of the many to benefit the top 1% of

the wealthiest.

He shows exactly who has been getting free lunches from the government—from \$100 million to Warren Buffett, to \$1.3 billion to the owners of the Yankees and Mets. But of course there’s really no such thing as a free lunch. The taxpayer always picks up the bill. With his in depth reporting, vivid stories, and sharp analysis, Johnston reveals the forces that shape our everyday economic lives—and shows us how we can finally make things better.
