Cleo finds out why she shouldn't lie in this easy-to-read story that is based upon an episode of the Clifford PBS-TV series. After hearing the tale of Stinky the ghost skunk, Clifford and T-Bone are wary of entering the woods where the ghost is supposed to live. Cleo convinces them there's nothing to be afraid of. Then she pretends to see, and be, Stinky the ghost to scare her friends! Clifford and T-bone leave the forest, frustrated by Cleo's pranks. But when Cleo really does need help, no one's there! Cleo gets a taste of her own medicine and learns to always be truthful with her friends.
