著者:Neville Symington

出版者:Free Association Books

出版时间:1992-03

装帧:Paperback

isbn:9780946960309

There have been many expositions of psychoanalysis, but none so deeply rooted in clinical practice - both as it affects the patient, and even more as it affects the analyst. Neville Symington lectured to mental health professionals seconded to the Tavistock Centre; this book is the result of these lectures.
