## 评论

前半本精彩绝伦！集真知灼见与幽默于一身哪！

-----  
This book is intellectually crucial to Lewis' conversion, as Lewis mentioned it in his autobiography. You need some historical background in order to understand C's writing. More or less, the book is a critical response to evolution and disregard of the historical credibility of the gospel. C's writing can be dense, but is full of insights.

## 书评

There's a pervasive misunderstanding that is hard to notice, and hardly ever noticed - that sincerity and humour are not mutually exclusive. One could be both funny and sincere as much as a mischievous prankster could be neither. An outstanding example is G...
