出版时间:2007-11-06

装帧:Paperback

isbn:9780073533186

This brief rhetoric and reference for academic and business writers provides over 310 writing strategies for solving problems at every stage of the writing process - from idea generation through editing. The book's practical approach not only helps writers with broader challenges, such as planning and organization, but also with specific style and grammar issues that can derail the writing process.
