Are you hoping to pursue a master's degree or Ph.D.? If so, the GRE will probably be an important part of your graduate school application. You'll find everything you need to prepare for this crucial test in *Cracking the GRE*. This new 2010 edition of our

popular guide offers proven techniques from the test prep experts at The Princeton Review. It includes over 300 practice questions in the book and exclusive free access to 2 practice tests, additional practice questions, and expert advice online.

In *Cracking the GRE* we'll bring you the key strategies and skills you need to ace the Verbal, Math, and Essay sections. We'll teach you how to think like the test writers and

- Master specific strategies for answering every question type, including the newer question types like “Enter a Number”
- Solve even the toughest questions in Text Completions, Reading Comprehension, Algebra, and more
- Practice, practice, practice with questions just like those you'll see on the real GRE, and learn from your mistakes with detailed explanations for all answers
