First contact becomes an interstellar incident when the Starship Enterprise™ responds to a distress call from an unknown ship and saves the life of a man left to die by his own people. Berlis, member of a telepathic species calling themselves the Isitri, claims not to know why those from his homeworld want him dead. Captain James T. Kirk wants to believe him, but the damage is done: the Enterprise can neither leave the stranger to die nor turn him over to those who would kill him.

Berlis seems harmless, but his people say he cannot live among them: his telepathy is so strong that their wills are subsumed to his. The same fear that compels the Isitri to seek the death of one of their own drives the neighboring Odib people toward genocide. For every time a "troublesome mind" dominates the Isitri, the Odib pay the price in their own blood.

With Spock becoming erratic under Berlis's influence, and the Isitri begging Kirk to allow them to destroy the man who threatens their existence, matters take a disastrous turn when Berlis makes his way back to Isitra...and an entire world falls to his whims.

作者介绍:

Dave Galanter has authored (or co-authored with sometime collaborator Greg Brodeur) various Star Trek projects, including *Voyager: Battle Lines* (1999) and the Next Generation duology *Maximum Warp* (2001), as well as numerous pieces of short Trek fiction.

## 评论

有人想看这本口袋书吗？

-----  
唔窝觉得这里面的悖论还挺有意思的。。。

-----  
读了好久，读了后面忘前面（洋文TAT）。给封面满分。

-----  
就像《时之刃》一样，全书中每个人付出的努力都有点枉然。对无时无刻享受着同族陪伴的心灵感应者来说，孤独是比死亡更加痛苦而无法忍受的。Spock选择与Berlis共进退，到后面不清不楚地谋杀，有点怪。不太喜欢这个故事。

-----  
ST系列里似乎还是很多这种精神融合の設定，怎么说呢，中规中矩的ST故事……

-----  
估计我要啃好久

-----  
电影版呢？快拍。
