The magic of Avalon comes to manga for the very first time. The much-loved "Avalon: Web of Magic" novels by Rachel Roberts get their first adaptation into manga for middle grade readers. Experience a whole new level of fun, adventure, and mage magic as Adriane, Emily, Kara, Ozzie and the entire Avalon gang begin a brand new adventure in a new story written by Rachel Roberts with visually dynamic artwork by Edward Gan. Teenage mages, Emily, Kara, and Adriane have their hands full monitoring the portal at the Ravenswood Preserve. The portal has become the "Grand Central Station" of the Magic Web, with magical creatures and animals stopping by on their way to otherworldly destinations. But matters become really complicated when a new student, a handsome young warlock named Donovan, shows up at Stonehill High. When monsters start attacking Ravenswood looking for Donovan, the mages realize he may be trouble. But Donovan shows them what he has brought, a fairy map with the portal sequence that will lead the mages right to Avalon, the source of all magic.
