The Wayans brothers became household names with the success of their Emmy winning show "In Living Color" in 1990. Combined, they have forty films and four television series under their belts, and a box office record with " Scary Movie" for highest grossing film ever by a black director. The brothers are now bringing their successful brand of humor to a series of books. 101 WAYS TO KNOW YOU'RE A GOLDDIGGER is packed with hilarious jokes that will captivate the Wayans Brothers's legions of fans. YOU KNOW YOU'RE MONEY-MAD when....--You run a credit check on a guy before doing on a date with him.--You're only 21 and you claim you married an 80 year old oil tycoon for love and not his \$200 million dollar estate.--You divorce your rich husband but keep his last name to get into clubs.--Your boyfriend gives you jewelry and you go get it appraised.--You count money instead of sheep.
