出版时间:2009-2-12

装帧:Hardcover

isbn:9780415396400

"The Routledge Companion to Translation Studies" brings together clear, detailed essays from leading international scholars on major areas in Translation Studies today. This accessible and authoritative guide offers fresh perspectives on linguistics, context, culture, politics and ethics and contains a range of contributions on emerging areas such as cognitive theories, technology, interpreting and audiovisual translation. Supported by an extensive glossary of key concepts and a substantial bibliography, this Companion is an essential resource for undergraduates, postgraduates, researchers and professionals working in this exciting field of study. Jeremy Munday is Senior Lecturer in Spanish and Translation Studies at the University of Leeds. He is the author of "Introducing Translation Studies", "Translation: An Advanced Resource Book" (with Basil Hatim) and "Style and Ideology in Translation", all published by Routledge. 'An excellent all-round guide to translation studies taking in the more traditional genres and those on the cutting edge. All the contributors are known experts in their chosen areas and this gives the volume the air of authority required when dealing with a subject that is being increasingly studied in higher education institutions all over the world' - Christopher Taylor, University of Trieste, Italy.
