Just before CEO and consultant Stuart Levine appeared on the Today Show to

promote his bestselling book The Six Fundamentals of Success, cohost Matt Lauer said to him, "You know what really drives me nuts? When people come into my office for a five-minute conversation and an hour later, they're still there Why can't they cut to the chase?" In an age where we spend more hours at work than ever before, Cut To The Chase is the indispensable guide to making the most of your time so that you can lead a happier, more balanced life.
