

Whose Standards?

[Whose Standards?_下载链接1_](#)

著者:Charlotte Williamson

出版者:Open University Press

出版时间:1992-09

装帧:Paperback

isbn:9780335097203

The author puts forward a theoretical framework for understanding consumerism in health care and its relation to professionalism. She explains why consumers and professionals may intuitively perceive some standards as lower or higher than others, and gives examples of good and bad practice.
