Reprinting legendary tales from the late 1960s, CRISIS ON MULTIPLE EARTHS: VOL 2 collects the classic meetings between the two greatest super-hero teams of all time. Existing in parallel dimensions, the Justice League of America and the Justice Society of America each protected their worlds against any and all dangers. But whenever a colossal crisis threatened the realities of both worlds, the two teams would join forces to defeat the menace. In this action-packed volume, Batman, Superman, Wonder Woman, Green Lantern, Green Arrow, the Flash, Hawkman, the Black Canary, and an adult Robin take on invading aliens, evil androids, super-powered villains, and deadly spheres of energy.
