著者:R. Klanten

出版者:Die Gestalten Verlag

出版时间:2009

装帧:full colour, softcover

isbn:9783899552751

Hair'em Scare'em presents an extraordinary exploration through the fascinating beauty and inventive possibilities of hair as a medium for artistic expression in contemporary art and design. The book documents this palpable trend into a visual sourcebook that presents a captivating collection of hairy works in graphic design, photography, illustration as well as interior design, fashion and jewelry design.
