Beyond statistics, beyond whether to raise, call, or fold, Elements of Poker reveals a new world of profitability for your bankroll and your life. You know tilt costs you money, but do you know how to make it go away? You know position is important, but do you know how to cash in that knowledge? Elements of Poker will teach you all of this and much more. Tommy Angelo is a top tier poker coach, poker writer, and philosopher. Humorous and provocative, Elements of Poker turns conventional poker wisdom inside-out. Join professional, winning poker players like Ed Miller, Jay Rosenkrantz, and Lee Jones in reading what Al Schoonmaker calls "the most original poker book I've ever read." ----- Tommy's book is the best poker book I've ever read. -- Jay Rosenkrantz, a.k.a. KRANTZ

作者介绍:

Poker chose me to be her slave when I was but a boy. For the first 15 years or so of servitude, I complained bitterly about the pain and injustice of it all. Then I became a professional poker player and over the next 15 years, gradually I started to see that everything is always fair. And now I thank poker, my tormentor, for this and hundreds more life lessons.
