出版时间:2009-5

装帧:

isbn:9780500514696

"Graffiti World" is the ultimate graffiti book. With over 2,000 pictures of artworks from more than 180 international artists, no other book is remotely so comprehensive or up to date. Nicholas Ganz combines his own first-hand experiences with quotes from the artists themselves to offer a true insiders perspective of the key trends and style developments that have made graffiti what it is today: a global phenomenon.
