Thea Osborne and her faithful spaniel, Hepzie, have taken on a house-sitting assignment in the charming Cotswold village of Temple Guiting. But as always, an idyllic village can harbour a disquieting number of secrets and when a skeleton is discovered at the roots of an old beech tree, Thea is grateful for the presence of her partner DS Phil Hollis. There is no concrete evidence as to who the bones belonged to although it isn't long before theories and rumours abound. Thea soon finds herself drawn into a murder investigation - perhaps the countryside isn't that quiet after all.
