For today's busy student, we've created a new line of highly portable books at affordable prices. Each title in the Books a la Carte Plus program features the exact same content from our traditional textbook in a convenient notebook-ready, loose-leaf version - allowing students to take only what they need to class. As an added bonus, each Books a la Carte Plus edition is accompanied by an access code to all of the resources found in one of our best-selling multimedia products. Best of all? Our Books a la Carte Plus titles cost less than a used textbook! With its inclusive view of American history, Created Equal, Brief Edition emphasizes social history-including the lives and labors of women, immigrants, working people, and minorities in all regions of the country-while delivering the basics of political and economic history. In this streamlined version of "Created Equal," the authors have preserved the chronological framework and strong narrative thread, the rich tapestry of people and events, the engaging and illuminating stories, and the Interpreting History features of the original

text, but have sharpened the presentation and prose condensing each chapter by 25 percent
