The definitive research paper guide for your courses , Writing Research Papers combines a traditional and practical approach to the research process with the latest information on electronic research and presentation. This market-leading text provides you with step-by-step guidance through the research writing process, from selecting and narrowing a topic to formatting the finished document. It includes an extremely thorough and accurate coverage of citation styles for a wide variety of disciplines. To help you keep on top of your work Writing Research Papers backs up its instruction with the most complete array of samples of any writing guide of this nature.
