Balloon is a two-act play written by Governor-General's award winning author James Reaney in collaboration with Windsor area poet and journalist C.H. Gervais. This is the original edition of this title, which was honoured with an Award of Merit in the 1977 Design Canada / Look of Books competition. Balloon is one of only two Porcupine's Quill publications from the 1970s that are still available in the original edition, at the original price.
