Prosecutor Luna Cruz hates being a lawyer. She's stuck back home in the slightly supernatural realm of Crater County, where senior proms are held at the local truckstop and nothing is what it seems. She falls hard for the only eligible man in town, mysterious defense attorney Sam Marlow. Unfortunately, he's the opposing counsel in a triple murder case. As more people around her start dying, Luna fears that Marlow might be imitating his client and that she might become the final victim.
