Count your blessings; they can be snatched away in an instant. It is a sentiment Milla Edge knows too well. With an astonishing blend of savvy, instinct, and passion, Milla displays an uncanny gift for finding lost children. When all seems helpless, desperate souls from across the country come to her for hope and results. Driven by an obsessive desire to fill the void in other people's lives, Milla throws herself into every case - all the while trying to outrun the brutal emotions stemming from a horrific tragedy in her past. Traveling to a small village in Mexico on a reliable tip, Milla begins to uncover the dire fate of countless children who have disappeared over the years in the labyrinth of a sinister baby-smuggling ring. The key to nailing down the organization may rest with an elusive one-eyed man. To find him, Milla joins forces with James Diaz, a suspicious stranger known as the Tracker who conceals his own sinister agenda. As the search intensifies, the mission becomes more treacherous. For the ring is part of something far larger and more dangerous, reaching the highest echelons of power and influence. Caught between growing passion and imminent peril, Milla suddenly finds herself the hunted - in the crosshairs of an invisible, lethal assassin who aims to silence her permanently.
