A soft and cuddly monkey doll becomes a thick book cover when it's opened to reveal a charming color illustrated story on cloth pages. Cuddly Monkey hears many different noises in the jungle. Each sound is made by one of his animal friends. The frog goes croak, the parrot says eek , the elephant goes rumble rumble , and the lion growls--even though he's friendly. When closed, this fluffy toy can be hung by its Velcro tail to a stroller or car seat to keep Baby amused. The monkey has a dimensional articulated head and legs, and its Velcro-tipped tail does double-duty, keeping the book closed when it's time to put it away. This delightful book also has a fluffy cloth carrying handle for toddlers to hold. All "Books on the Go "are packaged in see-through plastic bags.
