Here, especially for high school students, is an analysis and summary of Arthur Miller's famous play. Titles in the Literature Made Easy Series analyze novels and plays found in most school curricula. More than mere plot summaries, these books explain themes, analyze characters, and discuss each author's unique writing style, mastery of language, and command of his material. Books also feature "Mind Maps," diagrams that summarize a work's most important details as a way to help students focus ideas for exams and term papers.
