出版者:New York University Press

出版时间:2000-5-1

装帧:Hardcover

isbn:9780814796900

When Contemporary Asian America was first published, it exposed its readers to developments within the discipline, from its inception as part of the ethnic consciousness movement of the 1960s to the more contemporary theoretical and practical issues facing Asian America at the century's end.

This new edition features a number of fresh entries and updated material. It covers such topics as Asian American activism, immigration, community formation, family relations, gender roles, sexuality, identity, struggle for social justice, interethnic conflict/coalition, and political participation.

As in the first edition, Contemporary Asian America provides an expansive introduction to the central readings in Asian American Studies, presenting a grounded theoretical orientation to the discipline and framing key historical, cultural, economic, and social themes with a social science focus. This critical text offers a broad overview of Asian American studies and the current state of Asian America.

评论

贼厚，反思历史伤痕及革命的姿态貌似公允中立客观。

-----  
当年那个asian american老师说过一句很印象深刻的话，he told us that Native

Americans often asked: why are you guys immigrated to here? Then, we said:  
“because you guys are there(our country).” .  
绝大多数的移民的背后都是因为战争而留下一段辛酸岁月，被迫地离开了自己的故乡。
