In this new edition Musa views Dante's intention as one of cruel and comic commentary on the shallowness and self-pity of his protagonist, who only occasionally glimpses the true nature of love. "...the explication de texte which accompanies [Musa's] translation is instructively novel, always admirable...This present work offers English readers a lengthy appraisal which should figure in future scholarly discussions."

有史以来制作最烂的kindle电子书

译文读来觉得很好。论文最好的部分是第一部分的分析。中间对“二”的解读比较牵强，第三部分没看太细。
