Thirty-seven year old journalist, Connor Westphal, has relocated from San Francisco to Flat Skunk, a mining-turned-tourist town in the foothills of the Sierras, to start up her own weekly paper. Suddenly, dead bodies begin turning up in the most unusual places, setting Connor on a hunt for a killer. You might say Connor has a sixth sense when it comes to investigating...but she only has four of the usual five senses. Connor Westphal is deaf. But being hearing impaired doesn't stop Connor from pursuing the murderer. Without sound to distract her, she attends to subtleties that others overlook and ultimately unravels the mystery.

From the Paperback edition.
