Stark, brooding, and enormously controversial when first published in 1905, this astonishing novel juxtaposes impressions of fin-de-siecle Stockholm against the psychological landscape of a man besieged by obsession. Lonely and introspective, Doctor Glas has long felt an instinctive hostility toward the odious local minister. So when the minister's beautiful wife complains of her husband's oppressive sexual attentions, Doctor Glas finds himself contemplating murder. A masterpiece of enduring power, Doctor Glas "confronts a chilling moral quandary with gripping intensity.

Mark一下，看过的第一部瑞典小说

Embrace a shadow and love a dream

不错的一部小说。当时的瑞典文水平有限，但没有想到也能明白大概。
