Kids can count on fun--all the way up to 30--with the latest in the popular "Dot to Dot" series. As always, the collection features the cutest pictures and a number line across

the top of each spread to keep little ones on track. Children will grab a pencil to begin connecting the dots and creating a cowboy on his horse, a plane, a hot-air balloon with a girl in the basket, an undersea scene, a circus dog, a fire-breathing dragon, and much more.
