"I love money," is five-year-old Fudge's new theme song. He's going to dress as a miser for Halloween and has made big plans to buy the entire world (or at least Toys "R" Us). Fudge's new obsession with cash is driving his older brother Peter crazy But life really spins out of control when Peter and his family run into their long-lost relatives, the Howie Hatchers of Honolulu, Hawaii. Now Peter has to deal with Flora and Fauna, his annoying twin cousins who burst into songs at the drop of a hat, and their weird little brother, coincidentally named Farley Drexel Hatcher/just like Fudge Their names aren't the only similarity, and before long, mini-Fudge is causing just as much trouble as Fudge always has This newest book starring Peter and Fudge is one wild ride
