For nearly three years, Karazamon (Raza) Toa Kalandyn has been stuck inside the Dragon's Den, a private training facility hidden on the icy and isolated world of T'Panabar. There he serves as master of martial arts, counting the days until he can come home. When his father arrives playing chaperone to a young woman of high status, Raza is set on a mission to locate an illegal mining operation. With both treachery and sorcery afoot, Raza must confront the most dangerous dragon of all: himself.
