Our "Young Spirit" line is dedicated to providing quality children's books that stimulate the intellect, teach valuable lessons, and help young spirits grow. We invite you to bring these wonderful books into the lives of the new readers you love, and give them the key to a whole new world. A house dreams of a family to love and shelter. A family longs for a house all their own. And so is born the dream-house.... a gentle book of life's natural cycles.
