Whatever the weather, Elmer still has fun. He splashes in the puddles when it rains and has snowball fights with his friends when it snows. He loves the clouds that look like things made of cotton wool, and when the sun is out he wears some crazy dark glasses! never gets very far before falling fast asleep! A charming book of weather for very young children, featuring the endearing patchwork elephant, Elmer. Vibrant colours and simple rhyming text will attract many new Elmer fans. (19931025)
