Who else but Marvel would set up a robot from the future to play matchmaker for a femme fatale and the Man Without Fear? Mister Kline's android-laden efforts steer Daredevil and the Black Widow together for a trial whose tribulations could mean the end of the fabled Nelson and Murdock partnership! Then, DD and the lady in black relocate to the City of the Golden Gates, but that's not Cupid aiming at them - it's Hawkeye the Marksman! COLLECTING: DAREDEVIL 75-101, AVENGERS111
