Itas World War II and Michael Roberts parachutes into France during aOperation Overlord.a He encounters the ghost of the lover he had in his previous life, Jenny. Jenny visits him in his dreams and unfolds the story of their love when he was in Europe during World War I. She follows him across Europe to a rendezvous in the exact place they both died on November 10, 1918. Michael is wounded and after the war returns to America, only to once again find the reincarnated Jenny, this time a wild-eyed flower child named Clair. This is an exciting tale of historic adventure, lost love, rebirth, death, and hope for eternal life.
