The Fields of Gold is a fantasy story about a man that comes to a farm with secrets. Author Wesley McCall tells the story of a mysterious man with a puzzling past that torments him. This unusual man struggles with being "The Light That Always Protects" and the feeling that he has always failed to be that Light. At the farm, he meets a young woman that appears to be the reincarnation of someone he loves that died long ago. As he strains to find out the truth regarding who this woman really is, an old enemy from his past reappears and causes him to reveal his own true identity. Will this mysterious warrior be able to become "The Light That Always Protects" and save those who have become like family to him? Can he rescue the young lady he loves by making the "Ultimate Sacrifice"? Who will live and who will die? These are the questions that will be found in The Fields of Godl.
