## The Cherokee Prophecy

Here at last, in one thrilling volume, is the acclaimed Cherokee Trilogy , three contemporary stories of passion and adventure. It is the dramatic saga of three independent, beautiful women bound by the legacy of their noble Cherokee ancestors, and searching for love and fulfillment...

## The Cherokee Legacy

Sundance and the Princess: The enticing story of a modern-day princess and her tempestuous yearning for a seductive maverick, and of their search for a stolen treasure that takes the couple on a spellbinding journey. Tempting the Wolf: A heart-stirring tale of a woman who seeks her birthright on a North Carolina reservation and falls in love with a fierce renegade sworn to roam forever free. Kat's Tale: The alluring novel of the forbidden love that sizzles between a gorgeous woman and a rugged adventurer bound by his urgent mission of revenge.

## The Cherokee Heritage

Six men and women you'll never forget. Three tales of romance and adventure you'll always remember.

From the Paperback edition.
