isbn:9781567669541

The second step in this unique series gently lengthens sentences and features more challenging vocabulary, but the overall layout and marvelous photo format remain familiar to students enjoying newly acquired skills. Nonfiction Level Two readers are

rewarded for their progress with such high-interest topics as inspiring biographies, friendly farm animals, and action-packed activities. Each title at this step includes a helpful index of key words and phrases and a reference section with Web sites.
