Kids across North America know and love Pup -- the fun little doggie who provides them with loads of fun each week in his newspaper strip. Seen in 200 newspapers in the United States and Canada, Pup educates as well as entertains with his drawing and

word games.Kids will sit for hours as they search for words, try to find the different drawing, and make as many words as they can out of words like "Thoroughbred".They will beg for more word scrambles and complete-the-cartoon games.They will all but roll over with laughter from the riddles that have been written by kids just like them.Wno, N'oteds Atth Donus Klei Nuf? (Answer appears later.)For hours of fun after school, in the car, or anytime, Pup is definitely the top dog. He'll entertain parents and kids alike.Now, Doesn't that Sound Like Fun?
