"Singer of stories, lyric raconteur, Sydney Lea has evolved-through a long, rich career-into one of America's most harrowing and honest poets. "Ghost Pain" is his most eloquent and wrenching book."-T.R. Hummer ""Ghost Pain" is a remarkable book, which takes his work to a new level."-Stephen Dunn The eighth poetry collection by the founder of "New England Review" explores addiction, alcoholism, violence and the uses and inadequacies of art.
