

The Gray Lover

[The Gray Lover_ 下载链接1_](#)

著者:Friedman, Carl

出版者:

出版时间:2003-6

装帧:

isbn:9780892552962

A critically acclaimed collection by a renowned second-generation Holocaust

writer--now in paperback. Each of these stories, while stylistically distinct, is characterized by Friedman's signature mixture of lightness and gravity. With the Holocaust never far from the surface, the author continues her fascinating creative exploration of Jewish identity in this "extraordinary collection of stories" (Multi-Cultural Review)
