Action and suspense fill this sequel to Guns of Del Rio. Read in anticipation as John hunts down four ruthless murderers/thieves in a race against time to save Del Rio's bank president, Henry Rittinger. Plans are being made for a wedding between John and Alice for the New Year as Rusty finds wedding bells for Christmas ringing in his ears in the town cafe. It's an all out shootin', romantic, action-packed western you just won't be able to put down until you are entirely finished reading. You simply can't dislike it with its stylistic charm and cliffhanger suspense. So wait no longer! Open the book and get to reading.
