He is a vision from every woman's erotic fantasies. Existing in the twilight beneath sleep and consciousness, Connor brings them decadent pleasures, fueled by their sexual energy. But violence and strife now tear apart both worlds, and Connor must embark upon a quest into the mortal realm ...and into the arms of one intoxicating enchantress. Stacey Daniels has always been attracted to the wrong type of men-and the muscular, Viking-like champion on her front doorstep is no exception. She can hardly believe the wounded warrior is from another world, a world where erotic dreams are needed to survive, a world of terrible danger that has followed him to her home. Connor finds solace in her passion, but only time will tell if he can defeat the dark foe who hunts them ...and if Stacey can surrender to the promise he offers with every electrifying touch.
