This is another great allegorical story by this gifted writer. Every Christian should thrill again as he or she reads this allegory of their experience. For in the days of our unbelief did we not yield allegiance to the Devil, and did we not seek to avoid looking into the face of Emmanuel? Were we not all children of wrath with the rest of them, by our self-love being held captive by the prince of the power of the air. Eph. 2:1. This book is no classic by accident. It speaks to the soul of every honest saint of God. Despite the fact that its theme is not a popular one, it is so true to Christian experience that it has been printed and reprinted for three centuries. Anyone who has not read it is the poorer for it. For it is a picture of the struggle of the saints against temptation and doubt, against pride and false security, against sloth, etc. We are sinners saved by grace, but the body of death remains (Rom. 7:24). Bunyan (1628-1688) is without doubt the most famous of the Baptists. He is known to have preached to thousands from a hilltop. On one of these occasions John Owen went to hear him, coming away with unstinted praise for the humble, yet powerful, preacher of righteousness.
